

Asana Implementation- UICCA, 2025/ OngoingBe the Change: Local Solutions, Global Impact

Social Impact & Community Development

Description:

This talk encourages youth to solve problems in their own communities like waste, education gaps, or water issues and how these efforts ripple out to create wider change.

5. “Purpose Over Popularity: Leading with Impact in a Noisy World”

Description:

Speaks on the value of purpose-driven work, staying true to your mission even when it’s not trendy or viral.

6. “Community First: How Collaboration Beats Competition”

Description:

Encourages partnerships, collective action, and resource sharing to create stronger communities and impactful projects.
